EDUCATION

Aditya College Of Engineering And Technology

Bachelor Of Technology Computer Science

percentage: 6.8

Surampalem

July 2020 - April 2023

S.V Polytechnic College

Diploma Computer science

Percentage: 78%

Tirupati

June 2017 - May 2020

Sri Sai Maruthi E.M High School

School General

percentage: 9.7

Anantapur(Dt)

April 2017

EXPERIENCE

The spark Foundation | Intern

- Gained experience in web development Including mass mail depatching
- Frontend Design: Skilled in responsive design and user interface development
- backend Development :Proficient in server side and data base management

SKILLS

Programming Languages: Python, Java Script, HTML5, CSS, Java
Libraries/Frameworks: Git, Pytorch, TCP/IP, REST APIs, Django, React Js
Tools / Platforms: Firebase, VS Code, AndroidStudio, AWS
Databases: MySQL, MongoDB

PROJECTS / OPEN-SOURCE

Privacy Preservation Using Data mining

Python, Randomization

- With this project it mainly focuses on the privacy of the user
- By using Randomization,K Anonymity we can sensitize the user data
- It can be tested using decision tree for the original data and the anonymized data

Book store(Web Development)

React.Js, Node.Js, MongoDB

- Employed user authentication,data modelling,CRUD operations,Responsive design

Data Summarization(hine learning)

NLP, ML, DL

- Developed NLP based tool to summarize the large volume of text
- Implemented text processing,Sentence extraction,entity recognition,Semantic analysis

CERTIFICATIONS

- Cloud Core - **IBM**
- AWS cloud foundation - **Amazon Web Services**
- Python Basic - **Hackerrank**
- Python Essentials 1 - **Cisco**

HONORS & AWARDS

Participated In Kharagpur Data Science Hackathon
Tech Lead in S.V Govt Polytechnic college
